- NOTES:**
1. This Land Rights Work Map is based on available information and represents the approximate rights required to construct the project. It is intended to be used only as a tool in obtaining the necessary land rights.
 2. The apparent acreage listed above includes land which the Fort Belknap Indian Reservation may presently hold an easement on.
 3. Designated barrow and waste areas are included in the temporary permit acres.
 4. North Arrow shows magnetic North.
 5. All angles not shown on drawing are 90°.
